

Released Nov 2024.

Changes

- ATO Reports updated to the new ATO service
 - Income Tax Clients (ITCRPT)
 - Activity Statement Lodgements (ASLRPT)
- Removed the ability to allow the same client to be used as its own Related Reference.
- Removed the ability to enter invalid characters in the Trust name for the Trust income schedule / worksheet.

Minor Defects

- Resolved the issue where an error was generated when the client notes field contained an invalid character.
- Updated the offset eligibility to \$112,578 for Individual Tax Return Item T5.
- Resolved the issue with the Franked distribution not transferring to other schedules when auto transfer was applied in the Partnership Income worksheet.
- Resolved the issue where an internal error was generated incorrectly when the business name had been entered into the business worksheet.
