

Released July 2024.

Changes

- Self-Managed Superannuation Fund Return PDF export updated for Item 7A bank account details in the Electronic Declaration Section B.
- The Tax agent filter on the Client List view has been modified for businesses that have multiple practices connected.

Minor Fixes

- Resolved an issue for the 2022 and 2023 Internation Dealing Schedule (IDS) whereby Item 14 was incorrectly generating an internal error.
- The Bank Account Export report has been adjusted for reporting across multiple practices.

Security

- Continuous security updates have been applied.
