## Access Talent Services

Access Talent Services has the experience and expertise to recruit the right candidate for your payroll vacancies.

Access Talent Services is a service offered by The Access Group Australia, a leading provider of integrated accounting, payroll and payments systems with recognised brands in Australia including Access MicrOpay, Access Definitiv and Access WageEasy.

Our team offers a unique service, specialising in the recruitment of Payroll Professionals across temporary, contract and permanent positions.

### **Access Talent Services Consultants**

Access's national team of Consultants are true specialists in the industry, with key experience in payroll gained locally and internationally. Our Consultants understand the important nature of payroll, which is one of the most critical functions for your business.

We place great importance on matching your business with the right candidate and have a well-established network of passive candidates that sets us apart from our competitors.

### **Temporary Candidates**

We recognise that from time-to-time our clients will need temporary cover for leave absences or just for convenience.

We know the importance of sourcing candidates who have the right skills and knowledge as well as being the right fit for your business culture.

All of our candidates are fully assessed and compliant with Australian employment requirements prior to placement. Our candidates receive ongoing software training and development in-house, so you can be confident that your temporary staff will have up-to-date knowledge about The Access Group software, as well as experience in payroll and legislative requirements.

### **Permanent Candidates**

Access Talent Services Consultants boast strong market knowledge and a large network of contacts, including thousands of customers in Australia. Our Consultants continually network and recruit within the industry and this enables Access Talent Services access to an extensive network of payroll professionals through direct channels.

With our strong networks and specialisation, Access Talent Services is a trusted partner and extension of your business, helping you to find the right staff.
